Day 4 | Thursday 17September 2026Naples – Pompeii – Sorrento

Breakfast. The tour begins with pick-up from the train station, the port, or your hotel in Naples. Relax in a comfortable vehicle as you travel to your destination and make the most of your time by stopping in Pompeii for a guided walking tour of the archaeological site. An official guide will lead you through the lives of the prosperous Romans, taking you past the Basilica, the Macellum, the Forum, the Temple of Jupiter, and much more! It's the perfect way to enjoy Pompeii at your own pace, without wasting time. Skip-the-line tickets guarantee direct access; no waiting to enter! Pompeii remained buried under meters of volcanic ash from the eruption of Mount Vesuvius in the 1st century until excavations began in the 18th century. Thanks to the lava flow that petrified the city, all the infrastructure, frescoes, and artifacts are remarkably well-preserved.
